

Plane & Prop Weekly

Issue No. 12 - Sample Dispatch

This Week In The Cockpit

A look at go-around decision making, checkride nerves, and the multi-engine rating that finally clicked.

Mentor Spotlight

Captain Elena Ruiz on flying the line for 18 years and what she wishes every student pilot knew on day one.

Community Notes

Three members passed their checkrides this month. Read their stories and the lessons that got them there.

Career Corner

How to build a logbook that airlines actually notice.
